Reading list

The following list provides details of various publications which may assist with your studies. Periodicals and publications will be of value in ensuring candidates keep up to date with developments and in providing a wider coverage of syllabus topics. Any reference materials cited are authoritative, detailed works which should be used selectively as and when required.

Note: The examination will test the syllabus alone.

The reading list is provided for guidance only and is not in itself the subject of the examination.

CII/PFS members can borrow most of the study materials from CII Knowledge Services and may be able to purchase some at a special discount. For further information on lending and discounts go to www.cii.co.uk/knowledge.
