

Investment principles and risk

Purpose

At the end of this unit, candidates will have investigated the:

- characteristics, inherent risks, behaviour and correlation of asset classes, and investment products;
- macro-economic environment and its impact on asset classes;
- merits and limitations of the main investment theories;
- nature and impact of the main types of risk on investment performance;
- performance of investments.

Summary of learning outcomes	Number of questions in the examination*
1. Analyse the characteristics, inherent risks, behaviour and correlation of asset classes.	17 standard format/ 11 multiple response
2. Understand the macro-economic environment and its impact on asset classes.	6 standard format
3. Understand the merits and limitations of the main investment theories.	7 standard format
4. Apply the principles of the time value of money.	3 standard format
5. Analyse and explain the nature and impact of the main types of risk on investment performance.	5 standard format
6. Analyse the characteristics, inherent risks, behaviours and relevant tax considerations of investment products.	15 standard format/ 7 multiple response
7. Apply the investment advice process.	11 standard format
8. Understand the principles of investment planning.	8 standard format
9. Analyse the performance of investments.	10 multiple response

*The test specification has an in-built element of flexibility. It is designed to be used as a guide for study and is not a statement of actual number of questions that will appear in every exam. However, the number of questions testing each learning outcome will generally be within the range plus or minus 2 of the number indicated.

Important notes

- **Method of assessment: 100 questions: 72 standard format and 28 multiple response questions. 2 hours are allowed for this examination.**

Reading list

The following list provides details of additional resources which may assist you with your studies.

Note: The examination will test the syllabus alone.

The reading list is provided for guidance only and is not in itself the subject of the examination.

The resources will help you keep up-to-date with developments and will provide a wider coverage of syllabus topics.

CII/PFS members can access most of the additional study materials below via the Knowledge Services webpage at www.cii.co.uk/knowledge.

New materials are added frequently - for information about new releases and lending service, please go to www.cii.co.uk/knowledge or email knowledge@cii.co.uk.

Prudential Regulation Authority (PRA) Rulebook Online. Available at www.prarulebook.co.uk

* Also available as an ebook through Discovery via www.cii.co.uk/discovery (CII/PFS members only).

Examination guide

If you have a current study text enrolment, the current examination guide is included and is accessible via Revisionmate (www.revisionmate.com). Details of how to access Revisionmate are on the first page of your study text.

It is recommended that you only study from the most recent version of the examination guide.

Exam technique/study skills

There are many modestly priced guides available in bookshops. You should choose one which suits your requirements.

The Insurance Institute of London holds a lecture on revision techniques for CII exams approximately three times a year. The slides from their most recent lectures can be found at www.cii.co.uk/iilrevision (CII/PFS members only).
